PETITION TO WITHDRAW A HOLDING OF ABANDONMENT
BASED ON A FAILURE TO RECEIVE THE NOTICE OF ALLOWANCE

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This petition to the Director is made pursuant to 37 C.F.R. 1.181(a).

On November 1, 2004, Marshall, Gerstein & Borun, LLP ("the Firm"), attorneys for applicant, received a Notice of Allowance and a Notice of Allowability (collective, "the Notices") in regard to the above-mentioned application. The Firm's receipt of the Notices on November 1, 2004 is reflected by the date stamp affixed to the first page of the documents, which are attached as Exhibit A, stating "RECEIVED - NOV 01 2004 - MARSHALL GERSTEIN." To the best of the undersigned's knowledge, it is the practice of the Firm to affix such a date stamp to documents received from the United States Patent and Trademark Office ("the Office") immediately upon receipt of the document.

Upon reviewing the Notices, the undersigned determined that the Notices have a "DATE MAILED" of March 22, 2004, and a "DATE DUE" of June 22, 2004. As the Firm did not receive the Notices until November 1, 2004, the issue and publication fees in regard to this application were not paid before the June 22 deadline.

In accordance with *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971) and Manual of Patent Examining Procedure 711.03(c), applicants hereby petition the Director to withdraw the holding of abandonment as to this application for failure to pay issue and publication fees in that applicant's representative did not receive the original Notice of Allowance. In keeping with 711.03(c), the undersigned states that the Notice of Allowance was not received by the undersigned, or by the Firm with which he is associated, and requests that the Director take notice of the following evidence in support of his statement.

The undersigned has searched the file jacket of the above-mentioned application and has had the responsible members of the docketing staff of the Firm search the docket records, and these searches indicate that the Notices were not received. In support thereof, the undersigned has attached a copy of the cover of the file jacket and a hardcopy of the electronic database entry for the above-mentioned application as Exhibits B and C, respectively. Neither document has been notated to show receipt of the Notices prior to November 1, 2004.

Moreover, attached hereto as Exhibit D is a copy of the docket record where the nonreceived Notices would have been entered had the Notices been received and docketed. That is, Exhibit D is a copy of the docket report showing all replies docketed for the date of June 22, 2004, the date noticed as the "DUE DATE" in the Notice of Allowance. Review of the June 22 docket report reflects that the Notice of Allowance was not received by the undersigned or his Firm.

In keeping with 711.03(c), at page 700-162, a petition under 37 C.F.R. 181(a) requesting a withdrawal of the holding of abandonment does not require a fee. However, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 30331/37918. A duplicate copy of this paper is enclosed

In view of the foregoing, the applicant respectfully requests that the holding of abandonment be withdrawn, and that the Office remail the Notice of Allowance and the Notice of Allowability.

Respectfully submitted,

MARSHALL GERSTEIN & BORUN
